

Kirby and Rocky Teinhaus

September 27, 2011

To Whom It May Concern,

My name is Kirby I am an 18 year old sulcata tortoise, married to my blushing bride Rocky for many years now. I am writing to recommend the services of the Dakem & Associates, LLC for any of your construction needs. They took our special requests and turned them into something fabulous that we would have never dreamed possible. Our last home could not hold up to the Sulcata lifestyle. Dakem did an exceptional job; we have a beautiful all-weather house with heat for those chilly winter days and even a basement to keep cool on those scorching hot summer days. We had checked other contractors but their quality and expertise could not compete with what Dakem offered. We also knew that not only the quality would be exceptional but with the given track record on taking a project and completing it in a timely and efficient manner that we were going to get one of the most beautifully built designer Sulcata houses ever.

The staff at Dakem was very knowledgeable, professional, caring, and helped us through every step of the way. We have been completely satisfied with are new home and loving every minute of it.

Sincerely,

Kirby & Rocky Sulcala
